## DESCRIPTION

The Falcon Men softshell is a zipped men’s jacket combining a straight cut with a recycled polyester (RPET) fleece lining for thermal comfort. Built as a 3-layer shell with a waterproof, breathable membrane, it performs well outdoors while remaining suitable for everyday wear. It comes in several colours, including Bleu Abysse, Royal and Vert Foret, and is available from S to 4XL.

The jacket features a central zip, two zipped side pockets and a zipped chest pocket, plus elasticated trims at the cuffs and hem to reduce draughts. Contrasting zip pulls and clean finishing details make it practical without being conspicuous.

This personalised softshell is ideal for companies, sports clubs, associations and private customers. Customisation options include embroidery and multicolour transfer. Minimum order: 5 pieces (colours and sizes combined). Our design studio can retouch or vectorise your logo before production.
