DESCRIPTION

The Century unisex joggers offer an oversized cut for everyday comfort and relaxed wear. They feature an elasticated waistband with an internal drawcord and roomy fit, made mainly from cotton with a brushed fleece interior for softness. Elasticated cuffs and a ribbed gusset at the crotch maintain shape and freedom of movement, making these joggers suitable for leisure, team wear or casual workwear. Available in several colours and sizes XS to 3XL.

Practical details include two side pockets with non-fixed pocket lining and a single patch back pocket; the legs are manufactured without a lateral seam for a clean finish. The elasticated waist and hems, plus the internal cord through eyelets, make the fit easy to adjust while preserving the oversized silhouette. The construction supports regular wear and simple maintenance.

These personalised joggers are suitable for screen printing, DTF printing, flex and multicolour transfer, ideal for companies, sports clubs, associations, events and private orders. Minimum order: 10 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; in-house design studio can vectorise your logo.
