DESCRIPTION

The Falcon 3In1 softshell for men offers versatile protection and comfort for everyday wear. It features a straight cut with removable hood and sleeves to adapt quickly to changing conditions; a recycled microfleece lining for thermal comfort and an RPET stretch outer for durability and freedom of movement. The three-layer construction with a technical membrane delivers water resistance and breathability, and care is straightforward following manufacturer guidance. Available in several colours such as Bleu Abysse, Noir and Anthracite, in sizes XS to 5XL.

Key practical details include zipped side pockets and a chest pocket, internal zipped pocket, tonal reverse nylon zips with a reflective cord puller, adjustable hem and hood, and hook-and-loop adjustable cuffs. Detachable hood and sleeves simplify storage and washing; the inverted zips enhance water resistance and keep a clean silhouette.
