DESCRIPTION

Unisex cotton twill bucket hat with a classic bucket cut: flat crown and a soft stitched brim as shown on the photo. Available in several colours including White, Black and French Marine, and offered in sizes M and L. Made of cotton, it has a natural feel and is finished with ventilation eyelets and an internal sweatband for comfort; care should follow normal cotton practices.

Designed for everyday wear and outdoor events, the bucket has a straightforward construction with visible topstitching on the brim that helps retain shape without additional hardware. The listed dimensions (65x43x36 cm) reflect the roomy, relaxed silhouette typical of this style.

Customisation available by embroidery, screen printing, multicolour transfer, DTF printing or flex. This hat is sold from a minimum of 50 pieces (colours and sizes combined) and suits companies, sports clubs, associations, events and private customers looking for a personalised bucket. Our studio can retouch or vectorise your logo.
