DESCRIPTION

Lightweight men’s bodywarmer designed to provide core warmth without bulk. The sleeveless cut, stand-up collar and full zip offer straightforward protection, while horizontal quilted baffles and a PET-cotton shell give a lightly padded, comfortable feel. Available in several colours (for example Black, Red, Denim) and sizes S to 3XL, it packs away into the supplied storage pouch for easy transport.

Practical details include zipped side pockets, metal tone-on-tone sliders and elasticated binding at the armholes and hem for a secure fit and everyday comfort. Care is simple thanks to the polyester-blend construction; follow the manufacturer’s care instructions to maintain the padding.

Customize this personalised bodywarmer by embroidery. Suitable for companies, sports clubs, associations, schools and private customers who need a warm, discreet branded garment. Minimum order: 5 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; standard production 10 working days, 24-hour express for items in stock.
