DESCRIPTION

Unisex sherpa bodywarmer with a comfortable cut and a slightly longer back, designed for layering. Made from RPET with a fleece lining and taslon panels, it features a full zip, a taslon chest pocket with a reverse zip and zipped side pockets. Practical touches — black zip pulls with reflective details, reinforced armhole trim and an elastic drawcord at the hem — improve everyday usability. Available in several colour options (for example Gris Carbon/Noir, Army/Army Fonce, Beige Naturel/Beige) and sizes XS to 3XL.

The sherpa fabric offers a warm, textured look while taslon panels increase durability in high-wear areas and the zip provides simple wind protection. The fit gives freedom of movement without excess bulk, making it suitable for varied activities and seasons.

This personalised bodywarmer can be decorated by screen printing, DTF printing, flex, multicolour transfer or embroidery depending on the desired finish. Suitable for companies, sports clubs, associations, schools and private customers. Minimum order: 5 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; standard production 10 working days. Pickup at our Evere workshop or delivery in Belgium, France and Luxembourg. Our design studio can retouch or vectorise your logo.
