DESCRIPTION

The Pegase Polo Bio is a unisex short-sleeve polo made from organic cotton, designed for comfortable everyday wear. It features a ribbed collar with a reinforcing neck tape, a two-button placket with tone-on-tone buttons and reinforced side vents for ease of movement. Cut-and-sewn construction and a spare button sewn into the inner seam add practical longevity. The polo comes in several colours and sizes ranging from XXS to 4XL.

The short sleeves with ribbed cuffs and the tailored finish keep the garment looking smart after washing; the organic cotton provides breathable comfort. Care is straightforward and similar to standard cotton garments. Please note: this model requires a minimum order of 25 pieces (colours and sizes combined).

As a personalised polo, it suits companies, sports clubs, associations and events. Marking options include embroidery, screen printing, DTF printing, flex and multicolour transfer. We provide a free quote within 24 hours on weekdays, a graphic studio to vectorise or retouch your logo, standard production in 10 working days, and collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
