DESCRIPTION

The Stream Hooded Men parka is a lightweight quilted jacket for men, made from recycled polyester (RPET) with synthetic down quilting. Its straight cut provides comfortable insulation without bulk, and the integrated hood plus elasticated hem and cuffs help block drafts. Follow the manufacturer’s care instructions for machine washing.

The garment features horizontal quilted channels, a full-length tonal zip and zipped side pockets to keep essentials secure. Metal zip pulls and elastic trims at the cuffs and hem improve fit and wearability; offered in several colourways such as Black and French Marine, and available in sizes S to 3XL. Packed dimensions: 60X39X41CM.

This is a personalised parka that can be finished with embroidery. Minimum order: 5 pieces (colours and sizes combined). Suitable for companies, sports clubs, associations, events and individuals. Free quote within 24 hours on weekdays; our design studio can vectorise or retouch your logo.
