Carton	10 pieces

DESCRIPTION

The Stream Hooded Women parka is a lightweight quilted jacket with a hood, made from recycled polyester (RPET) with polyester fill. Available in sizes S to XXL, it offers a slim, feminine cut visible on the photo and is designed for easy everyday wear. The recycled fabric makes it a more eco-responsible choice.

It features a tonal central zip, zipped side pockets and an elasticated hood opening. Hem and cuffs are finished with elastic binding to improve fit and reduce drafts. The jacket comes in several colour options, for example Black and French Marine, suitable for urban and casual use.

This piece can be personalised as a personalised parka by embroidery, ideal for companies, sports clubs, associations, schools, events and private customers. Minimum order: 5 pieces (colours and sizes combined). A graphic studio is available to vectorise or retouch your logo.
