Country of origin	Bangladesh
Carton	10 pieces

DESCRIPTION

The Race Hooded Women softshell is a women's outer layer made from RPET (recycled polyester) designed for comfortable outdoor wear. It features a shaped female fit, an integrated hood with drawcord and a central nylon zip for protection. The inner RPET fleece provides lightweight warmth, the back is slightly longer for added coverage and zipped side pockets keep essentials secure. Available in several colours (Black, Anthracite, French Marine) and sizes S to 3XL.

The two-layer construction gives a clean look: tonal zip with black pullers and discreet seams. The adjustable hood, zipped pockets and a cut that allows freedom of movement suit active use; follow garment care instructions for longevity.

Personalisation options include embroidery and transfer multicolour. This personalised Softshell is ideal for companies, sports clubs, associations, events and private customers. Minimum order: 5 pieces (colours and sizes combined).
