DESCRIPTION

The Falcon Padded Men parka is a men's quilted softshell made from RPET with a fleece interior and recycled polyester padding. Its three-layer construction includes a 5000 mm membrane for waterproofing and breathability. The cut is straight with an integrated hood and a full-length waterproof front zip, offering a technical yet understated silhouette. Available in several colours (for example Bleu Abysse, Black, Anthracite) and sizes S to 4XL.

Practical details include a zipped chest pocket, zipped side pockets with waterproof nylon zips, three internal pockets and a customisation zip. Elasticated hem and cuffs provide a secure fit while the nylon lining helps the garment hold its shape. Care follows typical technical outerwear recommendations — see the product information for specifics.

Minimum order: 5 pieces. This personalised parka is suited to companies, clubs, associations and events. Marking techniques available: embroidery and multicolour transfer. Free quote within 24 hours on weekdays; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
