DESCRIPTION

Unisex 5-panel cap with a brushed cotton front panel and mesh back: a lightweight, breathable trucker-style cap for everyday wear. Medium fit (size M) with a curved peak and a structured 5-panel shape that keeps its form. The cotton front panel provides a clean surface for precise marking while the polyester mesh back improves ventilation and comfort during extended use. Care is straightforward—spot cleaning is recommended to maintain shape and fabric.

The cap features a plastic snapback adjustment and visible topstitching on the peak for a neat finish. Available in several colourways, for example Noir, Denim/Lin or Ecru/Aqua/Lin, offered as single-colour, two-tone or multi-colour options depending on the model. Listed dimensions: 75x46x21 cm.

Personalisation suited to companies, sports clubs, associations, events and individuals: embroidery, DTF printing, flex, screen printing, transfer and embroidered patches. This personalised cap requires a minimum order of 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our design studio can vectorise or refine your logo for production.
