DESCRIPTION

The Pulse Women polo is a women's new-fit polo in combed ringspun cotton, offering a clean handfeel and a tailored drape. It features a ribbed collar, a reinforced three-button placket with tone-on-tone buttons, short sleeves and a straight hem with cut-and-sewn construction. A spare button is stitched into the inner seam for convenience. Available in multiple colours and sizes XS to 3XL.

The fit is feminine and gently shaped without being tight, sitting at hip length with defined shoulders for a professional look suitable for corporate wear or team uniforms. The ribbed collar and reinforced placket help the garment retain its shape through repeated wear and laundering.

This personalised polo is available from a minimum order of 25 pieces (colours and sizes combined). Personalisation options include embroidery, screen printing, DTF printing, flex and multicolour transfer — ideal for companies, clubs, associations, schools and events. Our studio can adjust or vectorise your logo before production.
