DESCRIPTION

The Nitro fleece is an unisex zipped jacket designed for everyday wear. With a comfortable cut, a double-lined stand-up collar and a central injected zip, it provides warmth and practical maintenance. Made from RPET with an anti-pilling treatment and a neat inner facing, it offers reliable wear. Available from XS to 5XL and offered in several colours, for example Anthracite, French Marine or Black.

The jacket features two zip pockets with flaps and tidy stitching; its straight fit makes it suitable as a mid-layer or for workwear. The discreet detailing and tone-on-tone zip give a functional, understated appearance that works well for corporate, club or casual use.

This personalised fleece can be decorated by embroidery or DTF printing to apply a logo, name or motif. Recommended for companies, sports clubs, associations, schools and private customers. Minimum order: 10 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
