## DESCRIPTION

The Regent V unisex V-neck is made from ring-spun semi-combed cotton for a soft hand and everyday comfort. The photo shows its modern, tubular cut with short sleeves and a neat V-neck in jersey. Offered in several colours (White, French Marine, Deep Black) and sizes XS to 3XL, it is a versatile choice for teams, clubs and events. Care is straightforward—follow the manufacturer's cotton washing instructions.

This model features a neck tape for improved comfort and clean stitching at the seams. The modern fit gives a straight, smart look that works well for daily wear or promotional use. Note that some colours and sizes are subject to a minimum order quantity.

Customisation available from 50 pieces (colours and sizes combined): personalised V-neck via screen printing, DTF printing, flex, multicolour transfer or embroidery. Suitable for companies, sports clubs, associations, schools, events and individuals; our graphic studio can vectorise and refine your logo.
