DESCRIPTION

Designed for children, the Sprint Kids is a sports round-neck T-shirt made from RPET (recycled polyester), suitable for school and extracurricular activities. The cut and seams are engineered for movement, with set-in sleeves and ribbed body and neck for a tidy finish. The technical fabric wicks moisture and is easy to care for, making it a practical choice for teams and youth events.

The model features clean, functional details: a reinforced round neckline, set-in sleeves and a straight fit that layers well. Available in several colours (including Aqua, White or Fluorescent Yellow) and sizes L to 5XL (6 sizes). Please note the minimum order quantity is 13 pieces (colours and sizes combined).

The Sprint Kids can be personalised for companies, clubs, associations and individuals using embroidery, screen printing, DTF printing, flex, sublimation or multicolour transfer. Our graphic studio can vectorise or retouch your logo. Free quote within 24 hours on weekdays; standard production 10 working days, express 24 hours for in-stock items.
