DESCRIPTION

The Thunder adult unisex short is tailored for sporting use with a slim fit that follows movement. Made from RPET (recycled polyester), it provides a lightweight, breathable feel suitable for training and outdoor activities. Offered in several colours — for example French Marine, Black and Royal — and available in sizes XS to XXL, it suits teams and organisations seeking a technical, more sustainable option. The design is clean and functional for easy coordination with other kit.

The short features an elasticated waistband with drawcord for secure adjustment, side slits to enhance range of motion and side seams that shape the fit. The length sits above the knee to allow free movement during sport. The RPET fabric has a smooth appearance and is straightforward to care for.

These personalised shorts can be decorated by screen printing, DTF printing, flex or transfer. Minimum order: 25 pieces (colours and sizes combined). Suitable for companies, sports clubs, associations, schools and individuals; our studio can retouch or vectorise your logo before production.
