DESCRIPTION

The Vortex raglan T-shirt is a unisex, fitted round-neck garment made from polyester-cotton with a technical knit appearance. Raglan sleeves increase freedom of movement, making it suitable for sports teams, events or everyday workwear. It comes in sizes XS to XXL and several colours, for example Aqua, French Marine and Noir.

The pictured model shows visible raglan seams and a streamlined cut that shapes the silhouette while allowing ease of movement. Clean neck finishes and a minimal design make it a practical, low-maintenance choice for repeated use.

This personalised T-shirt can be customised using screen printing, DTF printing, flex or multicolour transfer — options that suit companies, clubs, associations, events and private customers. Minimum order: 25 pieces (colours and sizes combined). Our studio can retouch or vectorise your logo and we provide a free quote within 24 hours on weekdays.
