## DESCRIPTION

The Storm is a unisex crew-neck T-shirt designed for sport, featuring a cut-and-sew construction with set-in sleeves and shoulder/armhole panels for ease of movement. The fabric is flexible with a breathable knit that helps manage moisture during activity. It comes in several colours — for example White, French Marine and Dark Grey — and is available from XS to XXL.

The photographed model shows side panels and a clean neckline finish, with seams that keep the shirt close to the body while allowing freedom of movement. The finishing details are suitable for regular training use; care should follow guidance for performance textiles.

Order this personalised Col rond using screen printing, DTF printing, flex, sublimation or multicolour transfer. Minimum order: 25 pieces (colours and sizes combined). Ideal for companies, sports clubs, associations, events and private customers.
