DESCRIPTION

Unisex, the Eliott fullzip zip hoodie is a brushed fleece hooded sweatshirt made from PET-cotton according to the supplier. It features set-in sleeves with dropped shoulders and a hood fully lined with thermal fabric for added structure. The style comes in several colours — for example Gris Chiné II and Noir — and is available from XS to 3XL.

Practical details include a silver metal YKK two-way zip for easy on/off and ventilation, ribbed cuffs and hem for a secure fit, a kangaroo pocket and a neck reinforcement tape for improved durability. Care should follow the manufacturer's instructions to preserve the thermal lining and fleece finish.

This personalised zip hoodie is suited to companies, sports clubs, associations, schools and events and can be ordered from 5 pieces (colours and sizes combined). Customisation techniques available: embroidery, screen printing, DTF printing, flex and multicolour transfer. Our studio can retouch or vectorise your logo; free quote within 24 hours on weekdays, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
