DESCRIPTION

The Winter Ii long-sleeve polo is a unisex cotton polo offering comfortable wear and a smart profile. It features a ribbed collar and cuffs, a reinforced three-button placket in matching tone and a neck tape for added comfort. Cut-and-sewn construction with a straight hem and side vents maintains a clean silhouette; a spare button is attached to the inner seam.

Available in several colours (for example: White, Navy, Anthracite Chine) and in sizes S to 3XL, the cotton fabric is easy to care for and the ribbed finishes help the garment retain its shape during regular use in professional or club environments.

This personalised polo is available from 25 pieces (colours and sizes combined) and can be customised by embroidery (embroidery), screen printing (screen printing), DTF printing (DTF printing), flex (flex) or multicolour transfer (multicolour transfer). Suitable for companies, sports clubs, associations, schools and events — our design studio can revise or vectorise your logo and provide a free quote.
