DESCRIPTION

Men's Justin tank top in cotton, offering everyday comfort with a straight, easy fit. The garment is tubular with a ribbed neckline that supports the collar, and the armholes provide freedom of movement for sports or casual wear. Available in sizes S to 5XL and designed for easy care and lasting shape.

The tubular construction removes side seams for a smoother feel and better durability. The round ribbed neck helps retain its form and reduces stretching. The tank top comes in several colours, such as Noir Profond, White and Grey Heather, and presents a clean, functional look that works well as a base layer for teams or events.

Order this personalised tank top with logo decoration by screen printing, DTF printing, flex, multicolour transfer or embroidery. Suitable for companies, sports clubs, associations, schools and private customers. Minimum order: 25 pieces (colours and sizes combined). Our studio can retouch and vectorise your logo; free quote within 24 hours on weekdays.
