## DESCRIPTION

This unisex Sublima round-neck T-shirt offers a classic short-sleeve cut for everyday comfort. Made from cotton with a cut-and-sewn construction, it features a neck tape and an elastane rib at the collar to help maintain shape. Available in several colours, including white, and sizes XS to XXL.

The plain finish and straight fit make it practical for workwear, events or clubs: regular seams, short sleeves that layer well and easy care. The photographed proportions show a clean drape suitable for prints on the chest or back.

This personalised T-shirt can be decorated by screen printing, DTF printing, flex, multicolour transfer, sublimation or embroidery. Suitable for companies, sports clubs, associations, schools and private customers. Note: minimum order 25 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo; free quote within 24 hours on weekdays, standard production, and collection in our Evere workshop or delivery in Belgium, France and Luxembourg.
