DESCRIPTION

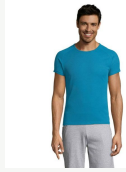

Unisex Sporty crew neck t-shirt featuring raglan sleeves and a breathable polyester blend designed for active wear. The back is slightly longer for improved coverage during movement; the neckline has a clean bound finish and short raglan sleeves for comfort and freedom of motion. Available in eight sizes (XXS to 3XL) and multiple colours, for example Black, Royal or White. The garment is intended as technical knitwear suitable for sporting use.

The straight cut and raglan construction reduce shoulder friction and allow ease of movement. Neat neckline finishing and a reinforced hem help retain shape through regular wear and washing, making it suitable for team use and events.

This personalised crew neck t-shirt is available from a minimum order of 25 pieces (colours and sizes combined). Customisation techniques: flex, sublimation, screen printing, DTF printing, multicolour transfer and embroidery. Recommended for companies, sports clubs, associations, schools and events; our graphic studio can retouch or vectorise your logo prior to production.
