DESCRIPTION

Women's shirt in a fitted cut made from stretch poplin, designed for professional comfort. The cotton stretch fabric provides a crisp appearance while allowing ease of movement; the feminine tailoring emphasises the waist and suits daily wear in office or event settings. It is offered in several colours, for example White, Dark Blue and Black, in sizes XS to 3XL. Follow the manufacturer’s care instructions for laundering.

Three-quarter sleeves with a turn-back and slit, a classic single-button collar and a seven-button placket in tone-on-tone finish deliver a smart look. Front and back darts create a structured silhouette. The cut and details are intended for regular, professional use.

This shirt is available as a personalised shirt using embroidery, screen printing, DTF printing, flex or multicolour transfer. Recommended for companies, sports clubs, associations, schools and individuals seeking coordinated apparel. Minimum order: 10 pieces (colours and sizes combined).
