DESCRIPTION

This men's cycling short features a close-fitting cut in stretch fabric (80% polyamide, 20% elastane) designed for comfort on the bike. Lightweight with Cool Dry® quick-drying performance, it includes double padding with a high-density silicone insert and an antibacterial layer to wick moisture and reduce irritation. Available in sizes S to XXL, it suits riders looking for support and comfort on training rides or longer outings. personalised short

Practical details enhance everyday use: elasticated waist, silicone anti-slip gripper at the thigh to keep the short in place, contoured panels and contrast seams for improved fit. A small internal pocket stores a key. Reflective piping and a reflective logo improve visibility in low-light conditions.

Customisation from one piece is available: we offer embroidery, DTF printing, flex, screen printing, transfer prints and embroidered patches. Ideal for companies, sports clubs, associations, events and private customers; our design studio can vectorise or retouch your logo.
