Carton	25 pieces

DESCRIPTION

Women’s sports skirt with an integrated short: the outer skirt is made of lightweight polyester while the inner short uses stretch cotton for comfort and support. The design features a flat elastic waistband and side slits to aid movement. The textured Quick Dry fabric is breathable and quick-drying, suitable for active use and simple to launder.

Practical details include flat lateral seams and a fully fitted short to reduce friction during play. The skirt keeps a smooth, athletic silhouette while allowing freedom of movement for tennis, running or training; available in several colour options and sizes S to XL.

This personalised skirt can be customised from 1 piece using embroidery, flex, DTF printing, screen printing or transfer. Recommended for companies, sports teams, clubs, events and private customers; our studio can also vectorise or refine your logo before production.
