DESCRIPTION

These slim jogging trousers for men feature a contemporary, close-fitting cut designed for active use. Made from 100% stretch polyester, they provide secure support and freedom of movement. The elasticated waistband with drawcord ensures an adjustable fit; sizes run from XS to XXL. The item is offered in 1 colour (Black) and is cared for like other synthetic textiles.

The trousers include mesh-lined side pockets with a small inner pocket for keys, and the hem has a YKK zip to make putting them on with shoes easier. Seams and finishes are clean, with a straight thigh and tapered lower leg for a functional, modern look suitable for training and casual wear.

These personalised jogging trousers can be customised from one piece using screen printing, flex, embroidery or DTF printing. Suitable for businesses, sports clubs, associations, schools and private customers looking for branded training wear.
