DESCRIPTION

A lightweight women's hoodie designed for sport and movement. It features a slim, feminine cut, an adjustable hood with drawcord, a front zip and zipped side pockets to secure essentials. The 100% polyester fabric is highly stretchable around the seams and hood, providing freedom of movement and comfort during activity. Available in several colours such as grey and black, in sizes XS to XXL.

The cuffs and hem are non-elastic, offering a clean, close fit. Seams appear flat and neatly finished to reduce chafing; the garment remains very light and easy to care for thanks to the polyester construction.

This personalised hoodie can be customised from one piece using screen printing transfer, MSO transfer, DTF printing, flex (flocking) or embroidery. Suitable for companies, sports teams, clubs, associations, events and private customers. Our in-house design studio can vectorise or retouch your logo prior to marking.
