DESCRIPTION

The Wild unisex bodywarmer in polycotton (65% polyester / 35% cotton) is built for functional, everyday professional use. It features a straight cut with a half back lining in mesh for improved breathability. Available in several colours (for example Corde, Noir, Marine) and sizes S to 3XL, the gilet includes nine pockets — including a phone pocket — providing organised storage for tools, notepads or small devices. The robust composition makes it easy to care for in regular use.

The design focuses on practical details: multiple compartments, reinforced seams and a structured fit suited to outdoor tasks and fieldwork. The mesh back improves comfort during long shifts. Pack dimensions listed as 61x40x17 cm.

This personalised bodywarmer can be finished with Embroidery, Screen printing, DTF printing, Flex and multicolour Transfer. Recommended for businesses, sports clubs, associations, schools and events. Minimum order: 13 pieces (colours and sizes combined). Our studio can retouch or vectorise your logo and we provide a free quote within 24 hours on weekdays.
