The Relax men’s softshell has a straight cut and a three-layer construction with a fleece inner that provides wind protection and thermal comfort. The stretch polyester-based fabric ensures ease of movement and everyday wearability; offered in multiple colours (e.g. Bottle Green, Anthracite, Royal) and sizes S to 4XL. Practical features include a full-length zip, two zipped side pockets and a zipped chest pocket for secure storage. Care should follow technical textile instructions.

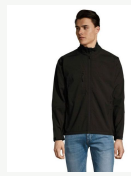

Functional details include an adjustable drawcord at the waist for a tailored fit, hook-and-loop cuffs to seal out drafts and a waterproof, breathable membrane suited to damp conditions. Seams and cut are designed for outdoor use while keeping the garment light and comfortable.

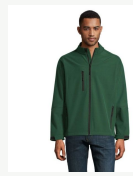

This personalised softshell can be customised by embroidery or multicolour transfer, ideal for companies, sports clubs, associations, schools and events.
