DESCRIPTION

Women's softshell jacket Roxy, engineered for protection and comfort. The 3-layer construction with stretch polyester and fleece lining provides warmth and freedom of movement; available in several colours such as Bleu Abysse, Black or Grey Mélange and in sizes S to XXL. The zip-front cut and technical fabric make it suitable for outdoor teams, workwear or active use. Follow garment care instructions to maintain the waterproof, breathable membrane.

Practical details include two zipped side pockets and a zipped chest pocket, an adjustable drawcord at the waist and hook-and-loop adjustable cuffs to reduce drafts. The membrane gives weather protection while the fleece interior retains heat without restricting mobility.

Customisable from 5 pieces (colours and sizes combined), this personalised softshell accepts embroidery and multicolour transfer (DTF printing options on request). Well suited to companies, sports clubs, associations, schools, events and private customers; free quote within 24 hours on weekdays, with studio support for logo vectorisation and collection in Evere or delivery in Belgium, France and Luxembourg.
