DESCRIPTION

The Rallye Women sleeveless softshell is a fitted women's layer combining a three-layer construction: stretch polyester outer, fleece lining and an 8000 mm waterproof/breathable membrane. It offers core insulation while leaving the arms free—suitable for active use—and comes in several colours (e.g. Rouge Piment, Black, French Marine) in sizes S to XXL. The technical fabric is easy to care for.

The design includes two zipped side pockets, a zipped chest pocket and an adjustable drawcord at the waist for a tailored fit. Finishes are functional for outdoor wear: a cut that supports movement and a fleece interior for light warmth.

This personalised softshell can be finished by embroidery or multicolour transfer. Appropriate for companies, sports clubs, associations, schools, events and private customers. Minimum order: 5 pieces (colours and sizes combined).
