DESCRIPTION

The SOL'S NORTH is a unisex zipped fleece jacket made from high-density PET polyester for warmth and comfort. Its short cut and fitted silhouette create a modern look, while the double stand-up collar, elasticated cuffs, back half-moon and elastic drawcord at the hem improve fit and retention. Two zipped pockets with flaps add practicality, and the anti-pilling fabric helps maintain a neat appearance. For care, follow the manufacturer's instructions.

We offer this custom / personalised fleece jacket with logo using DTF printing or Embroidery, perfect for businesses, sports clubs, associations, events and private customers. Our studio can refine your logo for optimal results and every marking is itemised in the quote.
