For	Unisex
Dimensions	60 x 41 x 52CM
Country of origin	Bangladesh
Carton	20 pieces

DESCRIPTION

The Ness fleece is a unisex short-cut pullover made from higher-density PET fabric with anti-pilling finish, designed to keep you warm without bulk. It features a half-zip chimney collar, elasticated cuffs and a hem with an elastic drawcord for adjustable fit, plus a back yoke for improved shoulder movement. Available in several colours (for example red, black, navy) and sizes S to 5XL.

The short cut and zip collar make this model practical as a warm mid-layer or a lightweight work fleece. Practical finishing touches — a neck tape for comfort, elasticated cuffs and a reinforced hem — help the garment withstand regular use and simplify care.

The Ness can be personalised from a minimum order of 10 pieces and is ideal for companies, sports clubs, associations, schools or events. Customisation techniques: embroidery and DTF printing. Free quote within 24 hours on weekdays; production and delivery or pickup options from our Evere workshop available.
