DESCRIPTION

Unisex garment bag in cotton non-woven, designed for transporting and storing suits. Flat cut without gusset, full zip closure and a snap tab securing the handles; the product is offered in size M with dimensions 66x60x28cm. Care should follow the cotton material specifications.

Practical, low-profile construction with visible seam lines and a continuous zip to protect the garment. The lack of a gusset keeps the volume low and makes it easy to slide into luggage or store on a shelf while keeping the suit flat.

Available for customisation by screen printing, DTF printing, flex and multicolour transfer. Suitable for companies, sports clubs, associations, events and private customers looking for a personalised bag; minimum order 25 pieces (colours and sizes combined). Our design studio can retouch or vectorise your logo and include the chosen marking in the quote.
