Fitted women's softshell made from 78% recycled polyester and 22% elastane, designed for sports like tennis and active training. The fabric is breathable and quick-drying with high-tech stretch for comfort and shape retention. A full front zip extends to a stand-up collar to shield from wind. Available in several colours (Black, Navy, White) and sizes XS to XXL.

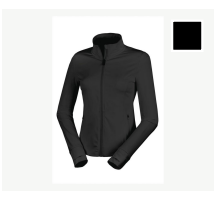

Functional details include zipped side pockets for secure storage, thumbhole cuffs to prevent sleeve ride-up and protect the palm, and flat seams for comfort and durability. The slim, athletic cut is suited to outdoor activities and high-movement use.

Personalised softshell options: screen printing transfer, MSO transfer, DTF printing, flex (heat transfer vinyl) or embroidery.
