DESCRIPTION

The Sol's Equinox Pro bodywarmer is a sleeveless work jacket designed for practical, everyday use. Constructed from 65% polyester and 35% cotton, it features a 100% polyester Twill 190 lining and quilting, a double-press stand-up collar, six pockets including one internal pocket, and elasticated side panels on the back for improved fit and mobility. The cut prioritises comfort and functionality, providing useful storage for tools or personal items and layering options for varied conditions.

We offer a custom bodywarmer with logo using embroidery, screen printing, DTF printing, flex and multicolour transfers. Perfect for companies, sports clubs, associations, events and private clients seeking a professional, branded garment. Our studio can retouch or vectorise your logo to ensure the best reproduction on the bodywarmer.
