Country of origin	Bangladesh
Carton	100 pieces

DESCRIPTION

The Sol's Arctic fleece scarf is a unisex accessory made from RPET, designed to provide warmth and comfort for everyday wear. Its classic cut makes it easy to slip on and keeps well around the neck. The RPET fleece delivers effective insulation while remaining lightweight; it is machine-washable and dries quickly, making it suitable for regular use.

We can create a custom / personalised scarf with logo using Embroidery, DTF Printing, Flex or multicolour transfer. Ideal for companies, sports clubs, associations, events and individuals, it showcases your logo or artwork while benefiting from the sustainable RPET material.
