Curved knee pads (SA68)

Dickies · Ref. SA68

Reference	SA68
Brand	Dickies
Composition	100%
Material	PVA
For	Unisex
Country of origin	France
Carton	50 pieces

DESCRIPTION

Unisex knee pads made from PVA (polyvinyl acetate) with a curved, contoured shape designed to fit into dedicated pockets of work trousers and coveralls. The segmented, padded construction provides protection and flexibility while preserving freedom of movement; the material has a slightly textured, wear-resistant finish. One size, offered in several colours (including Black).

The paneled design maintains mobility at the joint and distributes impact across the surface. These knee pads are flexible and lightweight, easy to insert and remove for garment washing or maintenance. The logo is moulded into each pad.

Customisation available from a single piece using embroidery, flex, screen printing, DTF printing, transfers and embroidered patches depending on the item to be marked. Suited to companies, sports clubs, associations, schools and individuals. Free quotes within 24 hours on weekdays and a graphic studio to vectorise or retouch your logo. personalised knee pads.
