DESCRIPTION

This unisex PVC poncho provides lightweight waterproof and windproof protection with a roomy cut. It features a hood with drawcord and a press-stud front at the neck for easy on/off, and it folds into its own pouch for compact storage — practical for outdoor events, sports teams and mobile crews. One size, offered in multiple colours such as Black, Navy and Yellow.

The smooth PVC surface is easy to wipe clean and dries quickly; the loose fit and construction allow it to be worn over other clothing without restricting movement. Its light, packable design also makes it convenient to sit on damp surfaces when needed.

Personalised poncho: we can add your marking from a single piece using embroidery (borduren). Recommended for companies, sports clubs, associations, schools, youth movements and private individuals.
