DESCRIPTION

Children's unisex poncho in PVC, designed for outdoor activities and events. Its loose fit and hood provide effective rain and wind protection while remaining lightweight and comfortable. The poncho folds into its own pouch for easy transport, comes in one size and is available in several colours (BLACK, RED, FUSHIA).

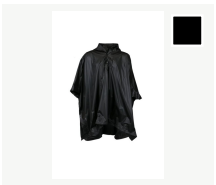

The design features a snap-button placket at the neck and wide arm openings for quick on/off and good ventilation. The waterproof PVC wipes clean easily and dries quickly when hung, making it a practical choice for repeated use.

This poncho can be personalised from a single piece and suits schools, clubs, associations, events and private customers. We offer embroidery (borduren) for a neat, long-lasting mark; our graphic studio can vectorise your logo and prepare a free quote during weekdays.
