DESCRIPTION

This men's jogging trouser features a straight, comfortable fit designed for everyday wear and leisure activities. Constructed from a cotton/polyester blend (80/20 except Dark Heather Grey), it offers a soft hand and lasting shape retention. Available in sizes XS to 3XL, it has an elasticated waistband with drawcord for easy adjustment and elasticated ankles for secure fit and a tidy outline when worn. Machine washable following the manufacturer's care instructions.

The design includes two side pockets for hands or small items. Details visible in the photo show a clean cut with gathered ankle cuffs, ideal with trainers; it comes in several colours such as Black, Heather Grey and Navy. The material composition provides good durability and resistance to deformation.

This personalised jogging can be decorated with embroidery, DTF printing, flex, screen printing, transfers or embroidered badges. Suitable for companies, sports clubs, associations, schools, events and private customers — customisation possible from one piece with support from our artwork studio and production at our Evere workshop.
