DESCRIPTION

Men's tank top with a tubular cut, made for everyday comfort. This style is 100% cotton (Heather Grey: 97% cotton / 3% polyester) with a fine knit and a straight fall, featuring tone-on-tone trim at the neckline and armholes for a clean finish. Available from S to 5XL and in several colours.

The tubular construction results in minimal side seams and a smooth fit; the scoop neckline and sleeveless design allow freedom of movement. Machine washable and designed to keep its shape, it makes a practical lightweight layer for summer or as an undergarment.

This personalised tank top can be customised from a single piece using: screen print transfer, MSO transfer, DTF printing and flex (heat transfer vinyl). Ideal for companies, sports clubs, associations, events and private customers — our design studio can retouch or vectorise your logo for the best print result.
