DESCRIPTION

Men’s zip-up hooded sweatshirt in a regular men’s fit, made from 70% cotton / 30% polyester fleece (280 g/m²). It features a lined hood with a jersey neck tape and flat tone-on-tone cords, two front pockets and a full-length covered zip for easy wear. Available in several colours, including Black, Charcoal and Deep Navy, and sizes S to XXL, it suits everyday wear and casual work outfits.

Practical details include ribbed cuffs and hem in a cotton/elastane mix for shape retention and comfort, plus reinforced stitching at stress points for durability. The straight cut offers a clean silhouette and simple care thanks to the cotton/polyester blend.

Personalise this personalised zip-up using embroidery, screen printing, transfer, DTF printing or flex. It can be personalised from 1 piece, making it suitable for companies, sports clubs, associations, events and private customers; our graphic studio can retouch or vectorise your logo.

KEY FEATURES

- Excellent durability – does not lose its shape.
- Soft and comfortable to wear.
