DESCRIPTION

Men's jogging trousers with a straight leg, designed for everyday wear and casual activities. Made from a cotton/polyester blend (80/20) that feels soft while retaining its shape, it features an elasticated waistband with a drawcord for adjustable comfort. Available in several colours including Black, Dark Heather Grey and Deep Navy, and in sizes S to 3XL.

The garment has two functional side pockets for hands or small items. The straight leg finishes without an elastic cuff, giving a clean, natural drape at the ankle. The relaxed straight cut delivers comfort and freedom of movement without being restrictive.

This jogging is available as a personalised jogging from one piece and suits companies, sports clubs, associations and private customers. Customisation options include embroidery, DTF printing, flex, screen printing, transfers (single-colour or multicolour), embroidered patches, pad printing and digital printing, with support from our in-house graphic studio.
