DESCRIPTION

This men's long-sleeve T-shirt offers a classic cut and everyday comfort for workplace wear or events. Made from 100% cotton, it features a one-piece crew neck and a 1x1 ribbed collar for a clean finish. A shoulder tape adds reinforcement and the removable label makes branding straightforward. Machine washable at 60°C, it comes in several colours (for example White, Black, Deep Navy) and sizes S to 3XL.

Key practical details include the simple crew neckline, long sleeves with tidy cuffs and a straight cut that hangs well on the body. Shoulder seams and the reinforcing tape help the garment maintain its shape through repeated washes, which is useful for team wear or frequent use.

This personalised long sleeve T-shirt is suitable for screen printing, MSO transfer, DTF printing and flex. Ideal for companies, sports clubs, associations, schools, youth movements and private customers; it can be ordered from one piece and our studio can edit or vectorise your logo before production.
