DESCRIPTION

The Valueweight women's tank is a fitted cut designed for a close, feminine silhouette. Made from 100% cotton with a fine knit, it feels soft and comfortable against the skin. The tank features side seams for shape and has neck and armhole taping for a neat finish and improved durability. It comes in multiple colours and sizes from XS to XXL.

The product photograph highlights a clean, minimalist design: narrow shoulder straps, a scooped neckline and an uncluttered front that makes printing straightforward. The neck and armhole finishes are tidy, and the fabric hangs smoothly while retaining good body — suitable for everyday wear or as a layering piece.

This personalised tank can be customised from a single item and across a wide selection of textiles using Transfer, Transfert MSO (transfer), DTF printing and flex. Recommended for companies, sports clubs, associations, events and private customers; our graphic studio can vectorise or refine your logo for the best print outcome.
