DESCRIPTION

This men's crew neck T-shirt features a slim fit and a soft hand, made from combed ring-spun cotton. The round neckline is reinforced with a neck tape for improved durability, and the smooth surface delivers clean printing results. Available in several colours and sizes S to 5XL, it works well for everyday wear or close-fitting team apparel.

The garment shows understated, practical details: short sleeves with classic armholes and flatlocked hems for a neat profile. A removable label simplifies re-labelling for corporate distribution. Easy care typical of cotton helps it retain shape through regular use.

This personalised T-shirt can be customised from one piece and our studio offers file retouching and vectorisation. Personalisation techniques available include screen-print transfer, MSO transfer, DTF printing and flex. Suitable for companies, sports clubs, associations, schools and private customers seeking a professional finish on a wide range of textiles.
