DESCRIPTION

Men's short-sleeve polo in piqué knit, designed for professional or everyday wear. The 65% polyester / 35% cotton blend and 230 g/m² weight deliver a durable yet comfortable fabric; three-button placket in tone-on-tone with a spare button sewn inside. Machine washable at 60°C, the smooth surface is particularly suitable for printing.

Its straight cut and clean finishes make it a versatile wardrobe staple for teams, events or workwear. Available in several colours, for example Black, Navy or Royal Blue, and in sizes S to 3XL. Sleeves and neckline keep their shape after washing, making the polo reliable for frequent use.

This personalised polo can be customised from a single piece and accepts embroidery, screen printing transfers, MSO transfers, DTF printing and flex. Recommended for companies, sports clubs, associations and private customers. Our graphic studio can vectorise or retouch your logo.
